

**- ARTIST SPOTLIGHT -
Pat Morris, Artist**

I am a wildlife artist, native of Connecticut, resident of Willington. I work primarily in pastel, painting pets and wildlife and I also enjoy painting with acrylic on feathers and birch bark. I am a self-taught artist; my ability to ‘capture’ life on paper, feathers, birch bark and other canvases is a humbling gift. Nature provides me with not only my inspiration, but also its own canvases! My inspiration is drawn upon a lifetime of observation in the woods and natural areas of the world. The expression of these experiences and observations is a lifelong challenge; my artwork is an invitation into that world.

Our organization will be four years old this October. So come, enjoy Patti Tuite and the New Years Allstars Band and dance the night away.
