The workshops will be scheduled for 1½ to 2 hours, usually on a weeknight evening. We provide a room, tables, and chairs for your workshop. An AAC Workshop Committee representative will open and close the room-and provide some support during the workshop. Please see the “Guidelines for Presenters” document for additional information. If you have any questions, please text, e-mail, or call Darcie (860-798-1738; boiano.darcie@gmail.com).
